RE: Sewer Service Area

Dear Mr. Scurlock:

When we met on June 12<sup>th</sup>, I gave you a proposed On-Site Systems service territory map and an overlay showing that this proposed territory is outside the Town of Dover's twenty-year growth plan.

Please cite to me any legal claim that the city may have to the area beyond its twenty-year growth boundary. I would appreciate your response within the next thirty days.

Sincerely,

Charles Pickney, Jr.
